| Experienced in Inventory, College & Pharmacy Management  
Systems, etc..

Singarayakonda, Andhra Pradesh, India

## Experience

### CKP Software Technologies

11 months

Full Stack Developer

January 2025 - Present (11 months)

India

Successfully rolled out a full-fledged ERP system on our college portal,  
integrating:

- 1.Academic & Administrative Modules
- 2.Parent Portal
- 3.Student Portal
- 4.Other key functionalities for smoother operations

In addition, also developed and deployed an independent Inventory  
Management System, ensuring better tracking and efficiency.and some other  
projects
